Our Values

Kid-oriented Ministry

- ▶ This ministry is oriented to meet the needs of kids.
- ▶ We realize that children are active learners.
- ▶ We provide children with hands-on opportunities to learn about God, to serve Him, and share Him with others.
- ▶ Kids are important to the Kingdom of God!

Interactive Instruction

- ▶ We use the Bible as the basis of our lesson time.
- ▶ Each week we strive to teach children a nugget of Scriptural truth that is relevant and applicable to their spiritual growth.
- ▶ The elements of our worship are praise, prayer, the Lord's Supper, giving, and teaching from God's Word – all in the context of talking, listening and doing!

Diverse Programming

- ▶ We use a variety of teaching styles to reach the varied learning styles of children.
- ▶ Through story telling, music, crafts and movements, we are purposefully providing various ways for children to take to hear the Bible message and desire to have a lifelong relationship with Christ.

Service

- ▶ We talk about all the different ways, even as kids, they can be of service to others.
- ▶ There is a weekly offering taken as part of our worship that is designated to a church supported mission.
- ▶ We participate throughout the year in church mission projects and invite missionaries to visit us and share with us when they are here.
